

THE HEALING & GROWTH JOURNAL

30-Day Guided Recovery Workbook

Words for when you are learning how to carry what changed you.

A Note from Glory

Healing is not a race. It does not ask you to forget what happened or rush past the pain.

This workbook was written from lived experience and therapeutic guidance to sit beside you in the quiet mornings when words feel hard to find.

Prompt 01: What are you carrying today that is not yours to hold?

[Reflective writing space]

Prompt 02: Where have you been gentle with yourself this week?
